

Windermere Secondary School
PEER TUTORING 12 APPLICATION FORM

COURSE DESCRIPTION: Students who enroll in peer tutoring will attend training sessions during term 1 tutorial periods that will earn them a tutoring certificate verifying that they have completed the training program. Successful peer tutors may also receive reference letters from their supervising teachers. Most peer tutors will work with Academic Strategies classes, but may also be assigned to support younger students in other academic classes. Volunteer hours may be gained by helping out in Homework Club or through WCP, and those hours can be used for Grad Transitions, scholarship applications and your resume. If you want to build your resume while helping others do better in school, this is definitely the course for you.
