

STUDY SCHEDULE

Figure out when you will have time to study and do your homework by:

- Blocking out any times when you are usually busy. School has already been blocked out for you. Include regular activities like work, team practices, club meetings, family dinners, etc.
- Designating specific times of the week as study times. Stick to these times. If you don't have homework, use this time for review or extra credit assignments.
- Scheduling in breaks, so you don't get burned out.
